

Our sessions are a wonderful introduction to the Montessori education, in a warm, relaxed environment where a parent or carer can share the experience with the child.

Each term is planned with a focus topic, and weekly sessions involve a variety of individual and group activities using the following Montessori areas;

- Sensorial (*focuses on their senses and enables children to begin problem solving*)
- Practical Life (*exercising and developing the child's fine motor skills*)
- Language and Literacy (*phonics and numeracy*)
- Art and Craft (*open ended craft experiences that include drawing, painting, glueing, etc*)
- Outdoor (*we use spacious play areas that includes age appropriate equipment*)

Our Session Co-ordinator, Andrea, is a qualified Early Childhood teacher and has spent the last 25 years educating children with SA Montessori. With a warm and nurturing personality, and her energy and passion for working with the 1-3 year olds, she prides herself on the relationships she forms with both children and parents. This is evident in her ability to engage with the children during the sessions, and her communication with families in guiding their child through their early education journey and preparing them for pre-school. Andrea also works 2 days a week in our pre-school.

VENUE:

Our sessions are held in our playgroup room at our sister centre Little Oxford Montessori, 18 Trimmer Terrace Unley

Although our sessions are held at our sister centre, they are coordinated and run by Cedars Montessori.
