

Community Walks

Over the time your child is here at Chancery Lane Montessori, we will be taking small groups of children on community walks. The purpose of these walks will be to provide the children with the opportunity to get to know the local environment and community, the transportation, the people around us and any other aspects they notice that interest them.

The walk will be at a time during the day when weather best permits, and there will be two teaching staff with the group, meaning that we can take 6 children with a ratio of one adult to three children.

We will be choosing children at random and therefore we ask you to please sign the attached consent form in order to allow your child the opportunity to take part.

A typical walk will see us heading through the local streets within a 2km radius of our preschool. There will be no cost for this excursion, but we do ask that you ensure your child has spare clothes in their school bag as they may visit the water course in Victoria Square.

Regards,

Chancery Lane Montessori teaching Team.

I do / do not consent to _____
taking part in our community walks.
