

**We are delighted to announce that SA Montessori is becoming a social butterfly!**

We are embracing the role that social media plays in helping families to connect. We are focusing on building our Facebook and Instagram presence, as well as our blog.

These posts and resources will make it easier for families (old and new!) to learn more about SA Montessori and to connect with us – and each other – in a way that fosters a meaningful sense of community.

We are proud and delighted to showcase our beautiful centres, and our amazing children. We feel certain that the wonderful experiences and explorations that our children engage in each day will be an inspiring example of the power and beauty of the Montessori method. We know that anyone who engages with these resources will receive a great insight into the values, practices and character of the ‘SA Montessori’ family.

We would love to invite you to find and follow us online:

**Blog:** [www.samontessori.com.au/blog/](http://www.samontessori.com.au/blog/)

The content that we create for our social media channels will, of course, be focused on our little learners! This will mean that, in some instances, photos of children will be featured. We therefore wish to give parents a chance to ‘opt out’ if you would prefer that your child is not featured in these forums. You may recall that when you enrolled with us you completed a section on your Enrolment Form specifying whether or not you consent to your child appearing in photography for promotional purposes (as shown below).
